

5 Selling Strategies for HPE and Dell

Buy smarter and fill orders faster with these proven sales tips:

1

When a server purchase is postponed, upgrading existing infrastructure is brilliant business.

2

Utilize all Tier-One Distribution Channels.

3

Include Synergy when HPE and Dell compute opportunities arise.

4

Offering Customized Solutions guarantees value.

5

Present your best pricing options first.

Offer Dell and HPE Server upgrades, options, and Replacement Parts for increased performance, Less data center disruption than a server refresh and avoid the cost of new server licenses.

Dell Recertified and HPE Renew maintain key positions consistently delivering value and profitability. These highly rated programs win trust with current gen products backed by the OEMs' warranty.
