GDO Disti Comp Reporting Gets You Paid!

SYNERGY ASSOCIATES

DELL Technologies
AUTHORIZED DISTRIBUTOR

In an effort to work in tandem with our new Dell peers, GDO Enterprise Sales are reported to ensure your account team is compensated.

We report in both the Partner and EU info, as allowable, to ensure both teams are credited.

All sales are reported bi-weekly and reflected internally via the GDO Disti Comp Share.

The orders are loaded to your ODR via an LSA and should reflect within 30 days of the sale.
