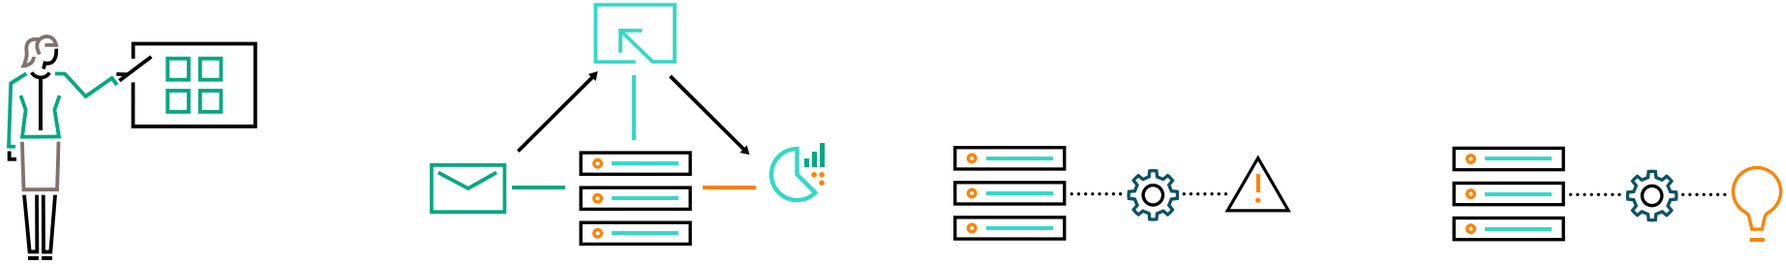
Hewlett Packard Enterprise

WHEN TO BUY HPE GENUINE CERTIFIED REPLACEMENT PARTS?

Lifecycle of HPE Product



Product Introduction | **Sustaining** | **End of Product Life** | **Extended Service Life**

HPE Server Options
Configure newly acquired HPE systems and upgrade early in the lifecycle

HPE Genuine Certified Replacement Parts

HPE Genuine Parts
- Maintenance, repair, and upgrade of HPE systems later in the lifecycle
- Purchase through an authorized distributor or directly

Functional Equivalent Parts
- Support the product post end of service life
- Same form, fit, function, and quality as the HPE spare part

Purchasing via our network of authorized distributors you will have access to wide portfolio which is proactively planned with consistent availability throughout product support lifecycle and beyond. When you buy from an HPE Replacement parts distributor you can be confident in purchasing from the only authorized source of HPE Genuine Replacement parts and with no impact to product warranty.
