WHERE DO THESE PRODUCTS COME FROM?

POC AND DEMO
Products used for demonstration purposes including trade shows and conferences.

OVERPRODUCTION
Items added to make room for newer product lines.

SHORT-TERM USE
Units that have been used for short-term internal use such as R&D labs.

CANCELED ORDERS
Fully functional products that have left Dell's warehouse; therefore, may no longer be sold as new.

LET'S COMPARE

Discover the difference with Dell Recertified:
surpassing traditional options in quality and performance.

REFURBISHED	VS	RECERTIFIED
UNKNOWN ORIGIN Uncertain history, includes off-lease		SPECIFIC ORIGIN Sourced from select pools: excess new, etc.
RESELLER REFURB Lack of standards or sourcing validation		OEM FACTORY 100% reman at OEM factory; new packaging
LIMITED WARRANTY		DELL TECHNOLOGIES WARRANTY
QUESTIONABLE EXPERIENCE Customer service and support will differ depending on place of purchase		AWESOME DELL CUSTOMER EXPERIENCE Customer support experience parallels new with the same phone, chat and service as new
